Visa Status: Open to Relocation to UAE — Requires Sponsorship

19+ Years | Motor Insurance Project Delivery (GCV/PCV/2W/Private Car) | 22+ Insurer Relationships | INR 300+ Cr
Monthly Reconciliation | 18 International Markets

PROFESSIONAL SUMMARY

Senior operations leader with 19+ years of experience delivering large-scale, end-to-end projects across Motor Insurance operations, financial reconciliation, and system/process governance — including direct ownership of GCV, PCV, MISD, 2-Wheeler and Private Car LOB lines. Proven track record leading cross-functional project delivery: scoping, stakeholder alignment, milestone governance, and post-implementation stabilization — most recently through a PAN-India Motor Reconciliation Overhaul spanning 22+ insurer relationships. Strong stakeholder management across insurers, brokers, and internal teams, with a delivery-focused, milestone-driven leadership style — targeting Project Manager roles in Motor Insurance operations with UAE insurers and financial institutions.

KEY ACHIEVEMENTS

- **End-to-End Project Delivery — National Motor Reconciliation Overhaul:** Scoped, led and delivered a structured reconciliation framework across 22+ insurer relationships covering pay-in, cancelled policy, credit float and payment mode reconciliation — from requirements gathering through stakeholder sign-off to post-go-live stabilization, resulting in cleaner audit trails and reduced open-item backlogs.
- **Motor Insurance LOB Depth:** Direct, hands-on ownership of Motor Insurance project delivery across GCV, PCV, MISD, 2-Wheeler and Private Car lines — including insurer grid implementation, rate calculation logic, and monthly go-live governance for 22+ insurers.
- **Multi-Country Project Delivery:** Delivered financial operations and reconciliation system rollouts across 18 international subsidiaries at Bharti Airtel (Africa, UAE, KSA, UK, USA, Spain, Italy) — managing INR 2,200+ Cr (~AED 970M) in partner financial operations via Oracle ERP.
- **Stakeholder & Cross-Functional Coordination:** Led project delivery across insurer, broker, and internal cross-functional teams (Policy, Finance, Compliance, IT), managing SLA adherence, milestone tracking and escalation resolution across PAN-India and multi-country operations.
- **Governance Framework Design:** Designed and deployed retention grid governance and insurer portal frameworks by month-end across all partner lines, ensuring 100% rate visibility and structured, SOP-driven project governance.
- **Team Leadership Across Delivery Cycles:** Built and led project delivery teams of up to 6 direct reports across 3 organisations — Insurance Dekho, Go Digit and Bajaj Allianz — driving milestone accountability and cross-functional delivery discipline.

CORE COMPETENCIES

Project Management & Delivery

PROFESSIONAL EXPERIENCE

Senior Manager – Insurance Operations, National Operations April 2025 – April 2026

Insurance Dekho | Gurgaon, India

Led end-to-end delivery of PAN-India Motor Insurance operations and reconciliation projects, overseeing INR 300 Cr+ (~AED 132M) in monthly reconciliation across 22+ insurer relationships, managing a project delivery team of 6 across policy administration, pay-in operations and broker management.

- **Motor LOB Project Delivery:** Led pay-in rule creation and rate calculation project rollouts across Motor LOB lines (GCV, PCV, MISD, 2-Wheeler, Private Car), managing insurer grid implementation projects for 22+ insurers with monthly go-live governance and continuous improvement discipline.
- **Retention Grid Governance (Project Delivery):** Scoped and delivered retention grid deployment by month-end across all partner lines, ensuring 100% rate visibility, seamless business booking and adherence to SOP-driven project governance frameworks.
- **Delivery Governance & SLA Management:** Maintained SLA and TAT adherence across all project workstreams, implementing KPI monitoring dashboards and root cause analysis protocols to sustain delivery excellence.
- **Cross-Functional Project Team Leadership:** Led, mentored and managed a project delivery team of 6 direct reports, driving milestone accountability, capacity planning and cross-functional coordination across national operations.
- **Reconciliation Project Delivery:** Delivered INR 300 Cr+ in monthly reconciliation project outcomes, resolving back-document open items and strengthening internal controls and compliance monitoring across national operations.
- **Reverse Reconciliation:** Executed reverse reconciliation projects and controlled beneficiary partner bookings, ensuring financial transparency, clean audit trail and regulatory adherence.
- **Cancelled Policy Reconciliation:** Delivered cancelled policy reconciliation workstreams using insurer-sourced data, maintaining system accuracy and audit traceability across all Motor LOB segments.
- **Stakeholder Coordination:** Coordinated payment mode and AR reconciliation projects across PAN-India transactions, resolving variances and reinforcing internal controls through structured stakeholder engagement.
- **Portal Governance Project:** Delivered insurer portal governance and 64VB status tracking improvements, reducing approval delays and ensuring T+1 compliance reactivation.
- **Credit Float & ATC Delivery:** Led credit float and ATC process improvement projects, enabling same-day payouts and improving partner experience through efficient fund utilization.

Manager – National Operations April 2022 – March 2025

Insurance Dekho | Gurgaon, India

Managed national-level Motor Insurance project delivery with accountability for reconciliation integrity, policy administration, partner financial accuracy and process governance.

- **Project Foundation & Governance:** Built the reconciliation and portal governance project framework later scaled in the Senior Manager role — resolving open items, cancelled policy reconciliation and insurer portal locks to reduce documentation backlogs and approval delays.
- **Compliance & Credit Operations Delivery:** Managed 64VB instrument-mode tracking and credit float/ATC process delivery with strict governance protocols, establishing the compliance turnaround standards carried forward into national-scale projects.

Associate Manager – Operations & Finance September 2019 – April 2022

Go Digit General Insurance Ltd. | Patna, India

- **Partner Onboarding Project:** Designed and delivered standardized broker and partner onboarding project procedures, improving compliance discipline and partner engagement efficiency.
- **Budget Management:** Administered and controlled monthly budgets, translating variance analysis into corrective actions and delivering measurable cost savings.
- **Payout Grid & Partner Commission Delivery:** Streamlined monthly partner payout grid projects and finalized commissions by applying approved rates and reconciling variances.
- **Partner Credit Reconciliation:** Conducted ageing analysis of partner accounts, accelerating recoveries and reducing outstanding balances.

Senior Executive – Finance September 2014 – September 2019

Bharti Airtel Limited | Gurgaon, India

Delivered multi-country financial operations projects managing INR 2,200 Cr+ (~AED 970M) in partner financial operations across 18 international subsidiaries spanning Africa, UAE (Dubai), USA, UK, Spain, Italy, Saudi Arabia and Indonesia. Used Oracle ERP for project-based reconciliation and multi-country reporting delivery.

- **Multinational Reconciliation Project Delivery:** Delivered account reconciliation and bordereaux reporting projects for 15 OpCos across Africa, Dubai, USA, Spain, Italy, Saudi Arabia and UK, significantly improving cross-border reporting accuracy and financial controls.
- **Open-Item Reconciliation Project:** Delivered monthly reconciliation projects for 350 companies across SP, A, B, C, D and E categories, ensuring timely resolution of financial variances.
- **Partner Financial Operations:** Administered invoice payment projects, resolved disputes, and ensured compliance with international financial standards across 18 subsidiaries.
- **Provisioning & Actualization Delivery:** Executed monthly provisioning and actualization project cycles for mobility and DTH partners across multiple geographies.
- **Stakeholder Reporting:** Analysed vendor payment behaviours across OpCos, providing actionable MIS project reports to reduce pending payments and improve financial control.
- **Issue Escalation & Resolution:** Facilitated weekly project review sessions with cross-functional teams and partners, systematically tracking and escalating unresolved items to successful closure.

Executive – Finance October 2011 – September 2014

Bajaj Allianz General Insurance Co. Ltd. | Gurgaon, India

Managed finance operations projects for 300+ partner accounts with INR 3 Cr+ in monthly cash and premium volumes.

- **Cash Management & Bank Reconciliation:** Managed cash and cheque premium collections, performed monthly reconciliations of insurer accounts, and ensured smooth month-end financial closure.
- **64VB Reconciliation:** Coordinated bank confirmations, maintained updated 64VB records, and facilitated efficient collection process delivery.
- **Internal Audit:** Coordinated internal audit projects, addressed queries, closed findings, and ensured compliance with audit guidelines.

Junior Executive – Finance September 2008 – September 2011

Bajaj Allianz General Insurance Co. Ltd. | Patna, India

- Managed cash and cheque premium collections, bank reconciliations and month-end financial closure project activities across Patna branch operations.
- Coordinated 64VB compliance tracking, internal audit activities and MIS reporting for branch finance operations.

Junior Executive – Finance June 2007 – August 2008

Bajaj Allianz General Insurance Co. Ltd. | Kolkata, India

- Handled cash and cheque premium collections, petty cash management and branch-level bank reconciliations across Kolkata branch.
- Supported month-end financial closure, MIS reporting and internal audit coordination for regional finance operations.

PROJECTS

- **National Motor Reconciliation Overhaul — Insurance Dekho (2024–2025) [Flagship Project]:** End-to-end project ownership — scoping, stakeholder alignment, delivery, and post-implementation stabilization — of a structured reconciliation framework across 22+ insurer relationships covering pay-in, cancelled policy, credit float and payment mode reconciliation. Delivered cleaner audit trails, reduced open-item backlogs and improved insurer grid compliance across PAN-India operations.
- **Multi-Country VAS Partner Financial Operations — Bharti Airtel (2014–2019):** Delivered end-to-end financial operations project for 350 partner companies across 18 international subsidiaries (Africa, UAE, KSA, UK, USA, Spain, Italy, Indonesia) using Oracle ERP — covering provisioning, actualization, open-item reconciliation and bordereaux reporting.
