PROFESSIONAL SUMMARY

Operations manager with 19 years of experience across insurance, telecom and financial services, managing high-volume, multi-partner workflows. Led multi-line operations for 22+ insurers, covering policy administration, commission and payout control, financial reconciliation, and premium collection and credit control, including premium receipt compliance. Strong in process improvement, SLA and KPI management, regulatory compliance, team leadership and stakeholder management, delivering efficient, audit-ready operations.

KEY ACHIEVEMENTS

- **Handled ~AED 115M (INR 3 billion) a month** in premium and commission flows at Insurance Dekho across Motor, Health, Life and SME, with consistently high accuracy
- **Managed partner credit limits and monthly commission grids** at Insurance Dekho, published on time every month-end, supporting timely and accurate partner payouts
- **Restored next-day (T+1) premium receipt compliance** at Insurance Dekho by strengthening premium collection tracking and insurer portal governance
- **Built a structured reconciliation framework** at Insurance Dekho covering premium, insurer statement (SOA), accounts receivable (AR) and cancellation reconciliation, delivering cleaner audit trails and fewer open items
- **Onboarded 610 partners at Go Digit** through a standardised process, including insurer commission and partner payout setup, making activation faster and more consistent
- **Cleared open items for 350 partner companies every month** at Bharti Airtel across 18 international subsidiaries, earning two consecutive Certificates of Appreciation

PROFESSIONAL EXPERIENCE

Career Break: Relocation to UAE | UAE — **May 2026 – Present**

- Planned and completed relocation to the UAE (October 2026) to build a long-term career in the Gulf region

Insurance Dekho (Girnar Finserv) | Gurgaon, India — **Apr 2022 – May 2026**

Manager – Operations

Indian digital insurance broker. Led multi-line insurance operations (Motor, Health, Life and SME) for 22+ insurers across India.

- **Commission and payout:** set up insurer commission rules and partner payout grids across all lines, with full rate visibility for partners
- **Reconciliation:** performed premium, insurer statement (SOA) and payment-mode reconciliations, plus cancellation and refund reconciliation, with minimal discrepancies
- **AR reconciliation:** reconciled accounts receivable from insurers every month, following up ageing items to clear outstanding balances
- **Partner management:** resolved partner queries on commissions and payouts, held regular review meetings, and obtained half-yearly account statements and balance confirmations to close accounts with no dues outstanding
- **Policy administration:** drove collection of pending policy documents and closed open items, reducing documentation backlogs
- **Portal governance and compliance:** managed insurer portal access and premium receipt compliance (no cover before premium receipt), clearing approval delays with insurers
- **Credit control:** managed partner credit limits and collection processes, supporting timely partner payouts
- **Petty cash and office expenses:** handled petty cash and vendor payments with the finance team, with monthly expense reconciliation

- **Team leadership:** led a team of six, managing work allocation, capacity planning and performance reviews through SLA and KPI dashboards
- **Systems:** company ERP and advanced Excel for reconciliation, payout calculation and MIS reporting

Go Digit General Insurance | Patna, India **Sep 2019 – Apr 2022**

Associate Manager – Operations

Fast-growing Indian general insurer; managed branch operations and partner finance.

- **Partner onboarding:** standardised broker and partner onboarding procedures and set up insurer commission and partner payout structures for new partners
- **Commission and payout:** calculated and validated monthly partner commissions and payouts against approved rate grids, resolving variances before release
- **Budget and cost control:** kept monthly branch budgets on plan, using variance analysis to drive corrective actions and cost savings
- **Receivables and credit control:** conducted receivables ageing and partner credit reviews, speeding collections and reducing outstanding balances
- **Partner management:** handled partner queries, held monthly review meetings and secured half-yearly balance confirmations
- **Branch administration:** managed petty cash, vendor payments and employee reimbursements, with monthly expense reconciliation
- **Systems:** company ERP and advanced Excel for payout calculations, ageing analysis and budget reporting

Bharti Airtel Limited | Gurgaon, India **Sep 2014 – Sep 2019**

Senior Executive – Finance

Global telecom operator present in Asia and Africa; managed partner finance and payouts.

- **Partner finance operations:** supported partner financial operations of ~AED 850M (INR 22 billion) across 18 international subsidiaries, including UAE and KSA
- **Invoice processing and payments:** processed partner invoices, payments and withholding tax (TDS) entries, resolved disputes and cleared monthly open items
- **Stakeholder management:** chaired weekly review meetings with cross-functional teams and partners, escalating unresolved items to closure
- **Balance confirmations and audit:** obtained half-yearly partner balance confirmations, clearing differences ahead of audit
- **MIS and analysis:** analysed payment patterns across operating companies and shared MIS reports to reduce pending payments
- **VAS payouts:** managed value-added services (VAS) partner payouts end to end: payout data, approval, payment tracking and month-end accrual true-ups
- **Provisions and reconciliation:** prepared monthly provisions for mobile and satellite TV partners, plus reconciliation and settlement reports for 15 operating companies
- **Systems:** Oracle ERP, Sun Accounting System and advanced Excel for invoice processing, reconciliation and MIS

Bajaj Allianz General Insurance | Kolkata, Patna & Gurgaon, India **Jun 2007 – Sep 2014**

Executive – Finance (2011–2014) · **Junior Executive – Finance** (2007–2011)

- **Premium collections and banking:** managed cash and cheque premium collections and daily banking for 300+ partner accounts (about AED 1.15M / INR 30 million a month)
- **Branch accounting and finance:** performed bank and insurer account reconciliations, petty cash, MIS reporting and month-end closing
- **Premium receipt compliance and audit:** maintained premium collection compliance records (no cover before premium receipt), coordinated bank and partner balance confirmations, and closed internal audit findings on time
- **Branch administration:** managed vendor contracts (stationery, printers, AC maintenance), office rent, pantry, housekeeping, document archiving, staff travel, hotel bookings and reimbursements
- **Health and safety:** served as branch security in-charge, overseeing fire safety and escalating emergencies to the risk department
